TELEPHONE INTERVIEW SUMMARY

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants thank the Examiner for the courtesy shown by the Examiner to Applicants' representative, Josh C. Snider, in the Telephone Interview conducted between the Examiner and Applicants' representative on or about June 7, 2007. Applicants' representative telephoned the Examiner to point out that the Information Disclosure Statement filed by Applicants on August 6, 2004 did not violate any provision of the CFR or MPEP, as incorrectly indicated on the Notice of Allowability mailed May 11, 2007.

After reviewing the particular Information Disclosure Statement at issue, the Examiner discovered that a note on the Form PTO-1449 relating a Japanese reference to its English-language United States counterpart appeared to have been cut off in the scan of the document by the Patent Office. Nevertheless, the English-language counterpart of the disclosed Japanese reference was made of record by Applicants, and the Examiner agreed to mail a corrected Form PTO-1449 that indicated how the Japanese reference was also acknowledged and considered.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
